

## DEAR WINE CLUB MEMBERS,

Summer's almost here, and with it some welcome news from both the CDC and the State of Pennsylvania. According to CDC guidelines updated on Thursday, May 13, fully vaccinated people can stop social distancing and wearing masks, except for when on buses, trains or other forms of public transport, or while in hospitals, doctors' offices or other health care settings. Pennsylvania's Department of Health announced shortly thereafter that the state's mask order would reflect the CDC's latest recommendations.

As a result, Crossing Vineyards has modified its policy. The use of masks will be discretionary for both customers and staff. We will continue to clean and disinfect tables and encourage the use of hand sanitizers. We're in a much better place than we were last summer, and we want to stay headed in the right direction!

## What's New...

### THE 2021 SUMMER WINE AND MUSIC SERIES

This season will feature 8 concerts, including all your favorites and 3 exciting new acts. **The Fabulous Greaseband** will kick off the festivities on **Friday, June 18 at 7PM**. As always you are welcome to 2 free tickets per membership. To make reservations contact the Events Team in advance by emailing [events@crossingvineyards.com](mailto:events@crossingvineyards.com). No table seating in the tent will be offered; so, we ask you to bring your own lawn chairs and folding tables. We also encourage you to come early. If you need to cancel your reservation for a concert, please let us know as soon as possible. We expect a busy season, and space in the tent will be limited. Concert tickets are non-transferable. Check the website for details.
